TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of New Ipswich in the
County of Hillsborough in said State, qualified
to vote in Town Affairs:

You are hereby notified to meet at Appleton Academy Auditorium in said New Ipswich on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to accept the budget to raise as estimated therein the necessary funds to transact the town's business for the ensuing year.

4. To see if the town will vote to raise and appropriate \$1200.00 for a resident physician.

5. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

6. To see if the town will vote to raise \$687.71 for T. R. A.

7. To see if the town will raise and appropriate the sum of \$1000.00 to be used in the development, maintenance and supervision of the recreation field, or take any action therein, and to choose one member onto committee to serve for five years.

8. To see if the town will vote to raise and appropriate the sum of \$167.00 (1/100 of 1% of the valuation of the town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribu-

tion of printed matter, newspaper and magazine advertising and by other means calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

9. To see if the town will vote to raise and appropriate the sum of \$5000.00 to rebuild, cap and oil a section or sections of highway within the town, selection of location or locations to be made by a committee of five persons, consisting of the selectmen, the road agent, and some impartial citizen chosen by the other four, this sum to be the only appropriation for such work this year.

10. To see if the town will raise and appropriate the sum of \$300.00 for rental and maintenance of the Page Hill Dump. If the town leases or rents this dump, in so doing they will assume all responsibility such as fire or mishaps and plow out the snow so it can be used the year round.

12. To see if the town will vote to appoint a committee of three persons, one of whom shall be the chief of the fire department, to investigate the recent changes in fire insurance rates, and to find out what additional or new fire fighting equipment the town would have to get in order to qualify for lower rates, the committee to report either at a special Town Meeting later in the year or at the next regular Town Meeting.

Also to see if the town will vote to raise and appropriate the sum of \$50.00 to defray expenses of said committee.

13. To see if the selectmen will authorize to sell or dispose of, the old horse trough, located on the property recently bought by Mr. Helsberg for the New Post Office building.

14. To see if the town will vote to raise and appro-

appropriate the sum of twenty-five dollars to buy the Union Hall and maintain it as a community social enterprise and direct the selectmen to execute the transfer of the property to the town or take any action thereon.

15. To see if the town will vote to authorize the selectmen to take action on any one of the three requests written below in regard to the Town Hall. (If secured, said property will be used by the members of Friendship Manor Rest Home (formerly Hillsborough Haven) for Daily Devotional Services, Social Functions, and other gatherings connected with the Home.)

The requests are given in the order of their desirability:

(1) The town give outright said Town Hall and accompanying property to the "Friends of the Shut-Ins, Inc." (a non-profit organization).

(2) The town sell, for a small nominal fee, said property to said party.

(3) The town lease said property to said party for a stipulated time and for consideration agreeable to both parties.

16. To see if the town will vote to raise and appropriate \$600.00 to construct a curbing in front of the new Post Office building and in front of Hubbard Park, so called.

17. To see if the town will vote to allow the collector of taxes additional compensation for his services in collecting the State Head Tax and to fix the amount thereof.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and fifty-three.

THOMAS W. PARHIALA,
LEO V. TOKO,
WALTER S. THAYER,
Selectmen of New Ipswich.

BUDGET

**Estimates of Revenue and Expenditures for the Ensuing Year
January 1, 1953 to December 31, 1953 Compared with Esti-
mated and Actual Revenue, Appropriations and Expendi-
tures of the Previous Year Jan. 1, 1952 to Dec. 31, 1952**

WILLMORE D. ASHLEY, WALTER S. THAYER, WILLIAM T. THOMPSON, Trustees of Trust Funds,
 examined the above account and found it correct and in agreement with the bank books of the various banks.
 LEON E. LIVINGSTON, Auditor.

January 24, 1953. This is to certify that I have this day
 concerned and the expenditures properly vouched.

REPORT OF ELECTRIC LIGHT COMMISSIONERS

Material on Hand

35 4-pin arms	8 35-ft. poles
4 8-pin arms	8 25-ft. poles
16 6-pin arms	3 4-ft. drills
50 16-in. through bolts	3 tree trimmers
30 20-in. through bolts	8 hand lines
25 18-in. spacer bolts	1 pole extension
30 16-in. spacer bolts	1 wire jack
30 lag screws	2 wire reels
40 2-in. sq. washers	200 lbs. No. 6 wire
3 5 KWA transformers	300 lbs. No. 4 wire
1 3 KWA transformer	1 pole trailer
20 meter sockets	3 sets climbers and belts
9 220 volt meters	4 sets gloves
2 recording volt meters	1 bolt cutter
1 ground resistance meter	1 12-ft. chain
1 volt amp. meter	1 hand saw
2 line amp. meters	4 line hose
1 set heavy blocks	4 insulator hoods
3 sets light blocks	100 automatic wire connectors
3 digging scoops	No. 6
4 digging bars	50 automatic wire connectors
2 cant hooks	No. 4
8 pike poles	100 No. 6 Nicopress sleeves
1 24-ft. extension ladder	90 No. 6 - 4 Nicopress sleeves
30 30-ft. poles	1 Nicopress

Respectfully submitted,

FRED E. SOMERO.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district in the town of New Ipswich, qualified to vote
in district affairs:

You are hereby notified to meet at the Appleton Academy Auditorium in said district on the tenth day of March 1953, at twelve o'clock noon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose an Auditor for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To choose Agents, and Committees in relation to any subject embraced in this warrant.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation,
which balance is to be raised by taxes by the town.

Given under our hands at said New Ipswich this
13th day of February, 1953.

CHARLES E. FIRMAN,
MYRTLE M. KANGAS,
School Board.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of New Ipswich:

I respectfully submit my sixth annual report as your Superintendent of Schools.

Instruction

Your teaching staff is continuing their fine work of instruction in your school. One change has occurred since the last report. Mr. Alphonse Lavernoch, graduate of Boston University and Keene Teachers College, has been employed to replace Mr. Claude Leavitt, who resigned to accept a position in Keene, N. H.

We are still carrying on a complete testing program as explained last year, with the addition of the California Test of Personality. This test is administered each year to grade five youngsters. The function of the test is to reveal the degree to which each pupil is self-adjusted and socially adjusted. The teacher is thereby aided in understanding the child and his reactions to certain situations that may arise in the classroom and on the playground. The test acts as a guide for placing the pupil in activities and situations where he will become a well-rounded and adjusted individual.

A new reporting system in the form of a revised report card was introduced this fall, which we feel affords the teacher a more adequate device for reporting the growth and achievement of a child, than was previously used. All systems of reporting a child's progress in school, by use of a **Report Card** are necessarily limited. Thus we attempt to supplement the report card by written notes, telephone conversations, and personal conferences. We are eager to have parents consult with us so that we may arrive at common understandings and do the best work possible for your children.

Instrumental flutes have been added to the upper grade room and extended downward to include grade

3, this past year. This instrument develops in the child a sense of rhythm and a concrete desire to read notes and understand some of the technicalities of music composition. There is a sense of deep satisfaction developed in the child when he feels that he can play a musical instrument with comparative ease.

The teaching of thrift has been particularly emphasized this past year and it is planned to continue this program. This has been taught through the School Savings Program. One day each week, time is provided for youngsters to purchase stamps ranging in denomination from 10c to \$1.00. This is a voluntary program. The stamps are placed in a booklet and when the booklet is filled, by having the equivalent of \$18.75, a defense bond is purchased. The New Ipswich children in grades 1-8 saved \$662.45 during the school year 1951-52 via this method. The total savings in Supervisory Union No. 63, during this same period amounted to \$3,323.50.

The Appleton Academy staff is continuing to provide instruction to our seventh and eighth grades, through a departmentalized program. Much good work is being accomplished. Mr. Maki and his staff have continued to be most cooperative and helpful.

A voluntary musical instrument program has been developed this fall at the Academy and our junior high people have been given an opportunity to participate in this program at no cost to them, except for paying a rental fee on the instrument they use. The instructor is Mr. Edward Hamilton of Gardner, Massachusetts.

A similar program is being offered to the pupils in grades 5 and 6, excepting that they pay for the group instruction at the rate of 50c per lesson. The School Board's budget for 1953-54 includes an amount for this instruction so that this program can be treated as any other educational offering in the school, namely at district expense.

Shortly after school started this fall a re-shuffling

of classes was necessary to eliminate over-loading in Mrs. Eaton's room. This year's grade three was composed of thirteen pupils and grade four and part of grade five had thirty-three. A part of grade four was combined with grade three so that the enrollment in Mrs. Somero's room became twenty-two, a good working unit. The effectiveness of this change was immediately noticed. Re-arrangement of grade assignments will be necessary from time to time to bring about the most efficient use of the school plant, as well as providing the most effective instruction unit possible.

The school census this fall indicates that our elementary school enrollment will continue to grow for some years to come. In 1956-57, it is expected that we will have approximately 169 pupils in grades 1-6. All rooms will have between 25 and 30 pupils to a classroom with possibly 45 in grades 5 and 6. When this situation arises the district should consider ways and means of providing additional space for the overflow.

This increased enrollment will certainly affect Appleton Academy. It appears that in 1960-61, New Ipswich will have enrolled in the Academy in grades 9-12 approximately 85 pupils, a number equivalent to the total enrollment in the Academy at the time of this writing. That same year grades 7 and 8 will have approximately 69 pupils. It is conceivable that by 1964-65, the New Ipswich School District will be responsible for about 124 pupils in grades 9-12 at the Academy.

A change in the economic conditions of the country could affect decidedly the total enrollment picture. However, since these increases are nationwide, it is questionable if our enrollments will decrease to any great extent during the years mentioned above.

The School District of New Ipswich will be faced in the future with the responsibility of providing additional space, additional teaching staff and constantly changing contractual relationships with Appleton Academy.

Transportation

The report on transportation, submitted in the School Report of December 31, 1949 revealed that soon the School District of New Ipswich would be faced with a transportation problem that would need immediate attention. We feel that this time has arrived. The 1949 report was concerned with the problem of transporting approximately 66 pupils on Mr. Somero's route. Next fall it appears that 101 pupils will be eligible to ride, excluding any Appleton Academy pupils, who number approximately 14. Consequently, it is going to be necessary to employ a second bus. Two buses will come into the schools at approximately the same time and one will make a second trip. Mr. Russell will continue the run from High Bridge and the feeder route from Page Hill will be continued as at present. The present Wilder Village contract will be discontinued and one bus re-routed so that it will include this route.

The School Board has spent considerable time studying this problem. There are still certain details that have to be studied and a few problems will not be satisfactorily solved until experience dictates the policy to follow. The School Board's budget includes a sum of money to provide the transportation described above.

Health Supervision

The School Nurse Report indicates the areas in which the school nurse and school doctor work. Our school has been comparatively free from communicable and infectious diseases. This is largely due to the close supervision maintained by our health personnel, the teachers, and the excellent cooperation given us by the parents.

Lands and Buildings

The landscaping of the playground area, which was accomplished a year and a half ago, has improved the appearance of the grounds surrounding the school building, including the playground area.

The School Board has considered it desirable to fence in the school property so that trespassing upon the abutters' property by the school children would be eliminated. This will be taken in steps, so that a large outlay will not be necessary in any one year. The first step in the project will be to install a chain link fence on the side adjacent to Mr. Lampi's property and extending back toward the playground area approximately 300 feet. It is also planned to develop a parking area adjacent to the brook and separating this area from the play area with a fence, thereby protecting the children from any traffic that may move on and off the school grounds at any time. There are certain dangers existent in the present parking situation. We also plan to have all road areas tarred and graveled.

Several improvements have been made in the building itself which has made it more attractive and more functional. In addition to the usual painting program, cabinets have recently been added to the teachers' room to give more storage space and a more convenient work area. Storage and closet space has also been added to the new boiler room.

A water supply problem developed last year, making it necessary to replace the foot valve; a length of pipe in the well; the pressure tank and pump. The latter was too small to provide the service demanded of it and over the years the tank had filled with rust thereby cutting down the volume of the tank. The water supply pipes to lavatories and taps were replaced because of the same rusting condition.

Our increased demands on the one bubbler in the building made it necessary to add a second bubbler. This was accomplished this fall.

The work planned for this summer is essentially of a maintenance nature. We have had a water drainage problem in the basement of the building for a number of years. Many solutions have been considered and much time and thought spent in devising a method

that would economically remedy the situation. The approach decided upon will be to try a water proofing material on the walls and at the junction of the walls and the basement floor. This method has been tried successfully in other buildings with similar conditions.

School Lunch Program

The enrollment situation discussed in a previous part of this report has created a problem in feeding the children at the cafeteria in the Academy building. We are presently sending our children from the Central School to the Academy in two shifts. However, it appears that the time will soon arrive when the facilities at the Academy will not be able to accommodate the greater number. Consequently, some thought and planning should be considered in establishing a program at the Central School.

State Aid

The New Ipswich School Board received a check for \$1,094.73 as the district's allotment of state aid for the school year 1952-53. This was due to the increased enrollment we experienced in 1951-52. It will be noted that this sum has been included as part of the income that will be used to reduce the assessment for 1953-54.

Conclusion

I again wish to thank the New Ipswich School Board and the citizens of New Ipswich for their continued support and assistance during the past year.

NEWELL J. PAIRE,
Superintendent of Schools.

STATISTICS FOR SCHOOL YEAR ENDING JUNE 30, 1952

REPORT OF SCHOOL NURSE

The year of 1952 in the New Ipswich Public School for the School Nurse was a busy one. The spread of measles after the Thanksgiving vacation in 1951 caused a great deal of concern and necessitated extra visits to the school to check for spread of the infection and only the other day I learned that two older children "came down" with the disease two days before summer vacation began in June.

I made fifteen visits to the schools during the year of 1952. I accompanied Dr. Cayward when he made his yearly examination of the children and each month examined the children for signs of communicable disease.

All children were weighed and measured twice during the school year and most made a satisfactory gain. The children in the seven grades had the group audiometer tests and I am endeavoring to check the ones who showed any loss of hearing. Due to the fact that it is necessary to share the equipment with other nurses in the State and limitation of time, this has not been done as soon as I would have liked.

Eye tests were also given and notes sent to those parents whose children showed need of care.

Defects found by Dr. Cayward on his yearly examination:

Diseased tonsils	24
Heart murmur	1
Teeth, defective	37
Wax in ears	1
Enlarged cervical glands	3
Red eyes	2
Speech defect	1
Sore throat	1
Overweight	2

Respectfully submitted,
 SYBIL M. BEATHAM, R.N.
 School Nurse.
